PROFESSIONAL EXPERIENCE

NUVUVATI PUBLIC SCHOOL, MUZAFFARPUR

Geography Teacher | Classes 9–10 • 23 July 2025 – 10 September 2026

- Delivered Geography and Economics instruction to Classes 9–10 using concept-based and student-centered teaching approaches to build subject understanding and support curriculum learning.
- Improved conceptual clarity through structured lessons incorporating maps, diagrams, real-life examples, classroom activities, and discussion-based learning.
- Strengthened exam preparation by developing lesson plans, notes, worksheets, PPT presentations, tests, revision activities, and doubt-clearing sessions.
- Monitored student learning through regular assessments and feedback, identifying areas of difficulty and providing targeted academic support to foundation-level students.
- Increased classroom participation by encouraging questioning, discussion, critical thinking, and curiosity during subject lessons.
- Maintained a positive and disciplined classroom environment through consistent classroom management and student-focused teaching practices.
- Supported student progress beyond classroom instruction by maintaining academic records and communicating with parents when required.

CORPORATE EXPERIENCE

Technical Analyst • 2 Years

- Applied analytical and problem-solving skills to evaluate technical data and resolve complex queries while maintaining service quality.
- Strengthened communication and structured problem-solving abilities through technical analysis, issue resolution, and service-related responsibilities.
- Developed transferable skills in analytical thinking, attention to detail, communication, and problem solving, supporting effective assessment, organization, and decision-making.
